RETAIL LIVE! ACQUIRES RETAILER ONE ON ONE

Expands Southeast Market Presence

Austin, TX—December 2013—Retail Live! (a national networking company focused on bringing retailers together with the industry's leading Landlords, Brokers & Developers) recently acquired Orlando-based Retailer One on One. With the November 7, 2013 acquisition, Retail Live! reaffirmed its mission to be the best commercial networking event in the country.

Founded in 2011, Retail Live! has programs in Atlanta, Austin, Chicago, Denver, Los Angeles, New York, San Francisco and now Orlando; the Retailer One on One acquisition (from founders Alan Charon and Julia Sosa) represents expansion into the Orlando market. The 16th Annual Retailer One on One networking event will be 11:30 a.m. – 8:00 p.m. on Thursday, April 17, 2013 at the Hilton Orlando (<http://www.retaillive.com/location/orlando/>).

"We are so excited to add this longstanding and dynamic program to our existing calendar of events," said Stacey Gilham, CEO/Founder of Retail Live!. "We believe that this addition will solidify our standing in the Southeast and further strengthen our mission."

Retail Live! programs are condensed, retailer-centric networking events conducted in a casual format, all while being productive and entertaining. Each program includes a trade show and reception, affording commercial real estate professionals the opportunity to network directly with the retailer's representatives.

"Retail Live! has been hosting shows across the country and is uniquely positioned to take the Orlando event to the next level," added Julia Sosa and Alan Charon of Retailer One on One. "We appreciate all the support over the years and have no doubt that our supporters are being left in good hands with Retail Live!."

Past participating sponsors of Retail Live! include Cole Real Estate Investments, Simon Property Group, Inland American, Jones Lang LaSalle to name but a few. Past participating retailers include LA Fitness, Trader Joe's, DSW, McDonald's, GAP, Starbucks and many others.
